Assistant GP

Dr Sally Dutson

Practice Managers

Mrs Kate Thomas
Miss Emma Vigurs

OUT OF AREA PATIENTS - POLICY

Our Practice policy for some years has been that we do not accept patients on to our Practice list who live outside our Practice area.

The reason for this is that it is very important to us to be able to provide a high standard of care to all our patients.

If our patient list size increases we will not be able to do this without increasing the number of doctors. We are unwilling to do this because it reduces our ability to offer the personal service and level of care that we feel is so important.

Newton Poppleford, for example, has been outside our Practice area for more than 20 years and this is why we are not accepting patients on to our list who live there.

Practices are allowed to register patients from out of area. However, the Sid Valley Practice has chosen not to do this for the reasons described above.

The Partners at Sid Valley Practice understand the difficulties with transport, but the quality of the care that we can provide to the patients registered with us has to be our first priority.
